"Winter Warmer 2 – The March Masters"

Saturday 8th March

Match Report

Saturday 8th March saw a 'bonus' event in the 2008 St John's golfing calendar. "The March Masters", although being a friendly event and not counting towards the 2008 Championship, proved very well attended and played in a relaxed, though very competitive manner.

A very windy yet thoroughly enjoyable day was had by all concerned, on what was a very forgiving and high scoring course, with the joint highest score ever being recorded by Andrew Green: 48 Stableford points! Full results as follows:

Top 3:

1 st :	Andrew Green	48
2 nd :	Tim Henshall	43
3 rd :	Steve Gardner	37

Winning Team:

Paul Robinson, Anthony & Paul Mitchell, Tim Henshall 138 points

Nearest Pins:

Howard Batey, Keith Fox

Longest Drives:

Russ Baker, Paul Mitchell

Congratulations to all of the winners.

Many thanks to Mersey Valley Golf Club for a great package for us which consisted bacon bap and drinks on arrival, 18 holes of hacking around the course, then curry and chips afterwards with the prizes. I'm sure we will be revisiting in the near future.

Looking forward, the Championship Tour 2008 kicks off at Styal Golf Club on 19th April, and anybody wishing to join the Society for good golf and good fellowship can find details of all of the tour events on the St John's website so feel free to invite a friend.

Individual scores from the competition are on the next page.
