

# Noah's Ark Family Worship

Welcome to week three of our family worship resource, for you to use at home or on holiday. Feel free to do as much or as little as you like, and adapt it to work for your family, with the resources that you have. We would love to see photos of what you get up to.

Please email them to [teresa@stjohnshartford.org](mailto:teresa@stjohnshartford.org) or post them on [www.facebook.com/stjohnshartford](http://www.facebook.com/stjohnshartford)

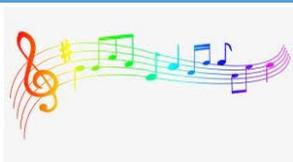

## Big Question: What makes God sad?

God loves all the people that He made. But it made God sad when people chose to stop loving Him. That was why God sent the flood to get rid of all the badness and the sadness. He wanted a fresh start. It still makes God sad today when we choose to stop loving God. And it makes God sad when we do bad things that hurt other people. It is important that we say sorry to God. Then we can know that we are forgiven because Jesus is our rescuer.

What do you need to say sorry to God for?

Sing this song together as a family and think about how Jesus can help forgive us when we get things wrong.

Take some time to say sorry.

Print out this sorry picture or draw your own.

In each of the circles write or draw something that you are sorry for. When you have said sorry to God and to the person that you've hurt, colour over the top of the circle as a reminder that God has forgiven you. It is as if the bad thing you did has been wiped away by Jesus.

Why not have a tube of smarties or skittles to hand? Each time you hurt someone, say sorry to them and give them one of your sweets. As they forgive you, they can eat the sweet to help their sadness to get better.

Bible Memory Verse

**"If we say that we have no sin, we are fooling ourselves, and the truth is not in us. But if we confess our sins, he will forgive our sins." 1 John 1:8-9a**
